KID'S KORNER (AGES 5 - 10) STARTS MAY 22ND

Do your kids feel a little "too old" for our normal drop-in child care services? The Kid's Korner is designed for parents who want to workout in the summer, but need to bring your older children along. We offer supervised and structured activities designed for them!

MON-FRI • 8:30AM - 12:30PM • ESIC CENTER ONLY • DROP-IN CHILD CARE FEES APPLY

THINGS TO REMEMBER...

- We request that children who are ill not attend the child watch room as a health standard, as well as a courtesy to others, and for the well-being of all the children. Parents whose children exhibit symptoms will be asked to remove their child from child watch.
- Child watch staff will work with you and your child in order to make him/her comfortable in the child watch room; this may take several visits. The parent or guardian will be contacted if the child cries for 15 minutes.
- Dry snacks, bottles, and cups with lids are permitted in the child watch room. Please label the child's belongings before bringing them along.
- Due to staffing constraints and health regulations, the child watch staff does not change diapers. The parent will be contacted if their child's diaper becomes soiled.
- To ensure the safety and security of your children, we will temporarily close the room when it has reached capacity. Room capacity is set at the discretion of the Child Watch Director at each location.
- For safety reasons, please make sure your children have shoes on when they are dropped off.

IMPORTANT

The Edwardsville YMCA is making every effort to provide a **peanut free environment** in our child watch rooms. All parents can help out by thoroughly checking each snack label for peanut products. Snacks that contain peanut related products **cannot** be brought into the child watch room.
